## Investigazione: Monte Etna.

Go to the Euroclub Schools website. Enter the door of the Italian Zone. Click on Claudia's Italian Adventures. Finally, click on Climbing Mount Etna.

Can you find the answers to these questions?

1. Where is Mount Etna?

2. How high is the summit?

3. What is the gas that comes out of the crater?

4. Which Roman god was believed to work in the crater of Mount Etna?

5. Which saint is believed to protect the city of Catania from the eruptions?

6. Near to the craters and vents, which colour is the rock stained?

Look at the words written in red. Can you find and write the following words in Italian?

**Trova e scrivi in italiano:**
